

# Reiki for the NEW ENERGIES

---

## Practitioner Certificate for Reiki Level I & II

- **Teachings & Attunement for Practitioner Certificate Reiki Level I & II** •
  - **Utilizing the higher vibrational Chakras** • **Activation of Water Consciousness**
    - **Sacred CosmoGram attunement to the New Energies** •
- 

As preparation for the Reiki attunement we recommend a physical clearing in the form of a 1-3 day fast, restraining from alcohol, coffee, sugar, etc.

The evenings are designed for clearing and teachings of energy and a Must for the Reiki attunement.

“I have taken Reiki before but this was unlike any thing I had envisioned the class to look like. I appreciate so much that we went through and did work and clearing on our selves. Thank you so much for this new life that you have given me.” Dana Manz, Calgary 2012
